3217 - **WEAPONS**

The School Board prohibits certified staff members from possessing, storing, making, or using a weapon in any setting that is under the control and supervision of the Corporation for the purpose of school activities approved and authorized by the Corporation including, but not limited to, property leased, owned, or contracted for by the Corporation, a school-sponsored event, or in a Corporation vehicle.

The possession of a firearm in or on school property, in or on property that is being used by a school for a school function, or on a school bus is a felony (I.C. 35-47-9-2) and is prohibited by Board policy. Possession includes storing the firearm in a personal vehicle while on school property. This prohibition applies to all employees including those who have a personal protection permit to carry a handgun.

The term "weapon" means any object which, in the manner in which it is used, intended to be used, or represented, is capable of inflicting serious bodily harm or property damage, as well as endangering the health or safety of persons. Weapons include, but are not limited to, firearms, tasers, handguns, stun guns, guns of any type, including air and gas-powered guns (whether loaded or unloaded), knives, razors, clubs, electric weapons, chemical weapons, metallic knuckles, martial arts weapons, ammunition, and destructive devices (bombs, incendiary, grenade, Molotov cocktail, rocket with a propellant charge of more than four (4) ounces, etc.). A "knife" is defined as "an instrument that: 1) consists of a sharp edge or sharp pointed blade capable of inflicting cutting, stabbing, or tearing wounds; and 2) is intended to be used as a weapon." I.C. 35-47-5-2.5(a)

The Superintendent will report an employee who violates this policy to law enforcement officials. The staff member also will be subject to disciplinary action, up to and including termination, for violation of this policy.

This prohibition does not apply to weapons under the control of law enforcement personnel.

Exceptions to this policy include theatrical props used in appropriate settings and starter pistols used in appropriate school related sporting events.

Staff members must report knowledge of dangerous weapons and/or threats of violence by students, staff members, or visitors to the principal. Failure to report such information may subject the staff member to disciplinary action, up to and including termination.
